The Board of Directors proposes that the General Meeting authorise the Board to decide on a share issue as well as the issuance of option rights and other special rights entitling to shares pursuant to Chapter 10, Section 1 of the Finnish Limited Liability Companies Act as follows:

Under the authorisation, a maximum of 898,000 shares can be issued, which would correspond to approximately 10 per cent of Kreate's total shares at the time of the proposal. The shares or special rights entitling to shares can be issued in one or more tranches, either against or without payment. The shares issued under the authorisation can be new shares or shares held by Kreate.

The authorisation may be used for financing or executing acquisitions or other arrangements, the strengthening of the Company's balance sheet and financial standing, the implementation of the Company's share-based incentive systems or for other purposes decided by the Board of Directors.

Under the authorisation, the Board of Directors may decide to grant new shares to Kreate itself without payment, while ensuring that, at any given moment, Kreate and its subsidiaries own no more than 10 per cent of the total number of its shares.

Kreate's Board of Directors is authorised to decide on all conditions related to share issues and the granting of special rights entitling to Kreate's shares. Kreate's Board of Directors will decide on the repurchase and acceptance as a pledge of own shares. Derivatives, among other things, may be used in the purchase of own shares. Own shares may be purchased in proportions that differ from the ownership proportions of the shareholders (directed purchase).

Own shares may be repurchased and accepted as a pledge, among other things, in order to limit the dilution effect of share issues implemented during business acquisitions, for the purpose of developing Kreate's capital structure, for handing over in connection with possible acquisitions, for use in incentive systems or for the purpose of annulment, provided that the purchase is in line with the interests of Kreate and its shareholders.

This authorisation is valid until the end of Kreate's next Annual General Meeting but no later than 30 June 2026. The authorisation revokes any previous unused authorisations for the repurchase and acceptance as a pledge of the company's own shares.
